

South Shields FC Bingo Lottery

Lotto Bingo combines the National Lottery numbers drawn on a Saturday night with Bingo. You select 6 numbers or choose a lucky dip, and when your numbers are drawn they are crossed off your line. The first person to have all 6 numbers wins the prize pool, and the prize pool will be rolled over each week until the pot has been won. The cost is £1 per line of 6 numbers per week.

Weekly updated results will be posted on the club website www.southshieldsfc.co.uk
